RODEO-HERCULES FIRE PROTECTION DISTRICT

MEMORANDUM

Date: April 12, 2023
To: Board of Directors
From: Darren Johnson, Interim Fire Chief
Subject: Resolution 2023-02, Adoption of the Annual Increase in the Measure O Parcel Tax

QUESTION:

Should the Board of Directors of the Rodeo-Hercules Fire Protection District approve a resolution declaring the intention to continue the levy of a Special Tax Funding Measure and provide notice of a public hearing on April 12, 2023, for the Rodeo-Hercules Fire Protection District, and Emergency Response Services Assessment? Furthermore, should the Board of Directors adjust the current Special Tax by the 2022 Consumer Price Index?

BACKGROUND:

In 2016, after gaining ballot support, the Fire Protection and Emergency Response Services Special Tax Funding Measure was established to finance fire protection and emergency services in the Rodeo-Hercules Fire Protection District. The Measure included a provision for a Senior Exemption for those who qualify.

- General Election Conducted November of 2016.
- Ballot Results: Measure passed with 78% of the weighted returned ballots in favor of the proposed Tax Measure.
- Adjustment to Rate: Annually, if approved by the District Board of Directors, the maximum assessed increase is calculated using the February, San Francisco Area Consumer Pricing Index. The annual percentage increase for Measure O cannot exceed 3%. The current CPI change for 2022 is 5.3%.

| Fiscal Year | Approved Rate per non-exempt parcel |
|-------------|-------------------------------------|
| 2017-18 | \$216.00 |
| 2018-19 | \$216.00 |
| 2019-20 | \$222.00 |
| 2020-21 | \$228.00 |
| 2021-22 | \$231.00 |
| 2022-23 | \$238.00 |

SENIOR EXEMPTIONS:

The Measure O Ordinance allows exemptions to be filed by qualified individuals.

Exemption requirements are:

- Age 65 or older by June 30th of the calendar year the exemption is being filed.
- Own and occupy the property the exemption is requested for.
- Submit an exemption form with required documents on or before the January 31 deadline.
- Submit a completed exemption claim form to the Parcel Tax Administrator with all required documentation attached.

| SENIOR EXEMPTIONS RECEIVED | | | |
|-----------------------------------|---------------------------------|--------------------------|--------------|
| Fiscal Year | # of Exemptions Received | Per Parcel Charge | Total |
| 17/18 | 231 | \$216.00 | \$49,896 |
| 18/19 | 345 | \$216.00 | \$74,520 |
| 19/20 | 326 | \$222.00 | \$72,372 |
| 20/21 | 497 | \$228.00 | \$110,334 |
| 21/22 | 568 | \$231.00 | \$131,208 |
| 22/23 | 618 | \$238.00 | \$147,084 |
| 23/24 | 678 | \$238.00 | \$161,364 |
| | | \$245.00 | \$166,110 |

OTHER ANTICIPATED OFFSETS:

The Fire District is anticipating an increase to our current costs for Contra Costa County Employees Retirement Association, FASIS—the Fire District’s Workers Compensation Insurance Carrier, and CalPers Medical. These anticipated increases will most likely be equal to or exceed the increase in revenue.

RESULT OF PROPOSED ACTION:

The Rodeo-Hercules Fire District Board of Directors will declare its intention to continue to levy the parcel tax for the fiscal year 2022-23 and adjust the amount by the maximum allowable CPI of 3%. Through this action, the Board will instruct District Staff to report their passing of Resolution 2022-03 to the Contra Costa County Tax Collector’s office for the fiscal year 2023-24.

FISCAL IMPACT:

The proposed rate change for the Measure O Special Tax for the fiscal year 2023-24 will be \$245.00 per parcel. The total amount of projected revenue generated by the assessments in the

fiscal year 2023-24 is approximately \$2,645,510. If the parcel tax remains at \$231.00 per parcel, the total amount of projected revenue generated is approximately \$2,494,338.

RECOMMENDATION:

Due to anticipated increases in costs, Staff recommends the Board of Directors approve the Resolution declaring the continuance of the Measure O Special Tax for Fiscal Year 2023-24, and adjust said funding measure by the allowable annual CPI of 3%, providing for Notice of Public Hearing, on April 12, 2023, for the Rodeo Hercules Fire Protection District.

RESOLUTION NO. 2023-02

RESOLUTION OF THE RODEO-HERCULES FIRE PROTECTION DISTRICT BOARD OF DIRECTORS ADOPTING THE ANNUAL INCREASE IN THE MEASURE O PARCEL TAX RECITALS

WHEREAS, at the November 8, 2016 general election, the voters of the Rodeo-Hercules Fire Protection District adopted Ordinance No. 2016-1 ("Measure O"), authorizing the levy of a special tax measure to finance fire protection and emergency services; and

WHEREAS, the tax imposed by Measure O for the 2022-23 fiscal year was two hundred thirty-eight dollars (\$238) per parcel of real property within the District (the "Tax"); and

WHEREAS, the provisions of Measure O provide that the amount of the Tax shall increase each fiscal year by the lesser of three percent (3%) or the annual change in the Consumer Price Index for All Consumers for the San-Francisco - Oakland - San Jose area published by the United States Department of Labor; and

WHEREAS, in accordance with the provisions of Measure O, the District is proposing a three percent (3%) increase in the Tax for the 2023-24 fiscal year; and

WHEREAS, the Board of Directors considered the proposed annual increase in the Tax at a duly noticed public hearing, at which time all interested persons had the opportunity to be heard; and

WHEREAS, the Board of Directors desires to increase the amount of the Tax by three percent (3%), to two hundred forty-five dollars (\$245) per parcel.

NOW, THEREFORE, the Board of Directors of the Rodeo Hercules Fire Protection District does hereby RESOLVE as follows:

1. The amount of the special tax levied by the District pursuant to Ordinance No. 2016-1, also known as Measure O, shall be two hundred-forty-five dollars (\$245) per parcel for the fiscal year beginning July 1, 2023 and ending June 30, 2024.
2. In accordance with the requirements of Measure O, this special tax shall be collected in the same manner, on the same dates, and shall be subject to the same penalties and interest as other changes and taxes fixed and collected by the County of Contra Costa on behalf of the Rodeo Hercules Fire Protection District.

3. The Fire Chief is authorized and directed to take such action as is necessary to carry out this resolution.

PASSED AND ADOPTED THIS 12th day of April 2023, by the following vote:

Consumer Price Index, San Francisco Area — February 2023

Area prices were up 1.8 percent over the past two months, up 5.3 percent from a year ago

Prices in the San Francisco area, as measured by the Consumer Price Index for All Urban Consumers (CPI-U), advanced 1.8 percent for the two months ending in February 2023, the U.S. Bureau of Labor Statistics reported today. (See [table A](#).) Regional Commissioner Chris Rosenlund noted that the February increase was influenced by higher prices for shelter. (Data in this report are not seasonally adjusted. Accordingly, month-to-month changes may reflect seasonal influences.)

Over the last 12 months, the CPI-U advanced 5.3 percent. (See [chart 1](#) and [table A](#).) Food prices increased 8.0 percent, and energy prices rose 8.6 percent. The index for all items less food and energy increased 4.6 percent over the year. (See [table 1](#).)

Food

Food prices increased 1.2 percent for the two months ending in February. (See [table 1](#).) Prices for food at home increased 1.2 percent, with higher prices in three of the six subcategories. Prices for food away from home increased 1.2 percent for the same period.

Over the year, food prices increased 8.0 percent. Prices for food at home rose 8.1 percent since a year ago. Price increases across food at home expenditure categories ranged from 5.3 percent for meats, poultry, fish, and eggs to 10.8 percent for nonalcoholic beverages and beverage materials. Prices for food away from home advanced 7.8 percent.

Energy

The energy index advanced 6.6 percent for the two months ending in February. The increase was mainly due to higher prices for natural gas service (18.0 percent). Prices for gasoline rose 4.6 percent, and prices for electricity increased 3.4 percent for the same period.

Energy prices rose 8.6 percent over the year, led by higher prices for natural gas service (29.1 percent). Prices paid for electricity increased 13.6 percent, but prices for gasoline declined 1.2 percent during the past year.

All items less food and energy

The index for all items less food and energy advanced 1.6 percent in the latest two-month period. Higher prices for apparel (6.3 percent), household furnishings and operations (3.8 percent), and shelter (1.8 percent) were partially offset by lower prices for used cars and trucks (-2.6 percent).

Over the year, the index for all items less food and energy increased 4.6 percent. Components contributing to the increase included household furnishings and operations (7.5 percent), and shelter (4.4 percent). Partly offsetting the increases was a price decrease in used cars and trucks (-11.9 percent).

Technical Note

The Consumer Price Index (CPI) is a measure of the average change in prices over time in a fixed market basket of goods and services. The Bureau of Labor Statistics publishes CPIs for two population groups: (1) a CPI for All Urban Consumers (CPI-U) which covers approximately 93 percent of the total U.S. population and (2) a CPI for Urban Wage Earners and Clerical Workers (CPI-W) which covers approximately 29 percent of the total U.S. population. The CPI-U includes, in addition to wage earners and clerical workers, groups such as professional, managerial, and technical workers, the self-employed, short-term workers, the unemployed, and retirees and others not in the labor force.

The CPI is based on prices of food, clothing, shelter, and fuels, transportation fares, charges for doctors' and dentists' services, drugs, and the other goods and services that people buy for day-to-day living. Each month, prices are collected in 75 urban areas across the country from about 6,000 housing units and approximately 22,000 retail establishments—department stores, supermarkets, hospitals, filling stations, and other types of stores and service establishments. All taxes directly associated with the purchase and use of items are included in the index.

The index measures price changes from a designated reference date; for most of the CPI-U the reference base is 1982-84 equals 100. An increase of 7 percent from the reference base, for example, is shown as 107.000. Alternatively, that relationship can also be expressed as the price of a base period market basket of goods and services rising from \$100 to \$107. For further details see the CPI home page on the internet at www.bls.gov/cpi and the CPI section of the BLS Handbook of Methods available on the internet at www.bls.gov/opub/hom/cpi/.

In calculating the index, price changes for the various items in each location are averaged together with weights that represent their importance in the spending of the appropriate population group. Local data are then combined to obtain a U.S. city average. Because the sample size of a local area is smaller, the local area index is subject to substantially more sampling and other measurement error than the national index. In addition, local indexes are not adjusted for seasonal influences. As a result, local area indexes show greater volatility than the national index, although their long-term trends are quite similar. **NOTE: Area indexes do not measure differences in the level of prices between cities; they only measure the average change in prices for each area since the base period.**

The San Francisco-Oakland-Hayward, CA. metropolitan area covered in this release is comprised of Alameda, Contra Costa, Marin, San Francisco, San Mateo Counties in the State of California.

**Rodeo Hercules Fire
Protection District
MEMORANDUM**

To: BOARD of DIRECTORS, Rodeo Hercules Fire District
From: Darren Johnson, Interim Fire Chief *DJ*
Subject: FIRE CHIEF'S REPORT
Date: April 12, 2023

Labor Relations – Personnel – New F/F PM has completed his training and has been placed on shift.
Reporting: Interim Chief Johnson

Fire Stations/Training Facility

Multi-company training is continuing. Four firefighters attended Driver Operator 1A Class (Learn to Drive a fire engine) hosted by Phillips 66 and Driver Operator 1B Class (Learning pump calculations for a fire engine) hosted by Rodeo Hercules Fire. Two firefighters will be finishing probationary training next month. Three Firefighters will be attending Oil Fire School at Texas A&M in College Station Texas next month hosted by Phillips 66.

Reporting: Interim Chief Johnson

Facilities- Currently we have received bids to remodel the bathroom and flooring at Station 76. Radio systems and alerting systems need to be replaced at both stations this year within the next fiscal year.

Reporting: Interim Chief Johnson

Grants/Reimbursements – Nothing to report

Reporting: Interim Chief Johnson

Incident Activity- Crews responded to several vehicle accidents, medical calls and vehicle fires throughout the district. Crews also attend Critical Incident Stress Debriefing following a fatal accident in Rodeo in March. The department spent 3 days supporting a County Wide Engine Preposition for the storms that occurred in March.

Reporting: Interim Chief Johnson

Community Risk Reduction – Company inspections have resumed. All companies have been assigned inspections for the months of December and January. The Fire District encourages community members to visit rhfd.org for any updates.

Reporting: Interim Chief Johnson

Community /Wildfire Prevention – Weed abatement is ongoing throughout the year

Reporting: Interim Chief Johnson

Fleet Management -Both Quints were out of service for a couple of weeks due to maintenance and needed repairs at the same time. E-75 will be going in for regular service and repairs when Quint 76 returns. Both type 3 engines will be going in for service and repairs as well.

Reporting: Interim Chief Johnson

Fiscal Stabilization – Staff continues to monitor the current Fiscal Year budget.

Reporting: Interim Chief Johnson

Community Activities/Meetings –Attended County Operations meeting, 2 Executive Chiefs meetings, Measure O meeting, Phillips Community Advisory meeting, monthly Battalion Chief meeting, Measure X meeting, Board of Supervisors meeting, department staff meeting, and 2 special board meetings. All meetings were in person.

Reporting: Interim Chief Johnson

Commendations/Awards/Notables – Nothing to report.

Reporting: Interim Chief Johnson

Upcoming New Development – Fire District staff continues to meet and provide guidance to developers on various projects throughout the Fire District. Written conditions of approval for upcoming projects were issued to: Phillips 66 Solar Project, Sycamore Crossing, and Franklin Canyon RV Park. The Fire District has been having weekly meetings with Phillips 66 regarding Renewable Diesel Project. There are an additional 250 personnel in the plant for this project. Additional businesses coming include an additional senior housing complex on Willow Ave next to the current complex in Hercules; multi-family housing live-work in Rodeo at 4th and Parker; 3 additional homes to be built on Parker Ave next to the post office in Rodeo and a 40 unit single-family housing project in Hercules near Skelly. The M, O and P projects for the City were projected to start late fall. **All future projects are on hold due to the economy.**
